

CANSAN

DESCRIPTION:

Cansan is a powerful all purpose cleaner and sanitiser ideal for use in food preparation areas, hospitals and veterinary practices.

Cansan is a concentrated quaternary disinfectant that keeps bacteria to the lowest possible counts.

Cansan sanitises floors, walls, benches and processing equipment and can be used wherever a hospital grade sanitiser is required.

FEATURES & BENEFITS:

- **Cansan** is highly concentrated and keeps bacteria to the lowest possible counts.
- **Cansan** will not taint food or build up on surfaces.
- It is low foaming, non-perfumed and requires no rinsing – though a little streaking may occur.
- **Cansan** is long lasting – it has a shelf life of two years.
- **Cansan** can be applied using a fogger.

APPEARANCE:

Cansan is a clear green liquid low odour.

APPLICATION:

Dilute **Cansan** at 10mL per litre with water and apply to the surface scrubbing if necessary. Leave on surface for at least 15 minutes. Rinsing is not necessary, however some streaking may occur.

PACKAGING:

5L
15L
20L
200L

SAFETY INFORMATION:

Wear suitable gloves and eye/face protection.

Carefully Read the Material Safety Data Sheet (MSDS) before using this product.
